### NECKLACE

#### Crocheted back and forth.

With PISTACHIO ch 28.

Make 22 rows of zigzag pattern alternating PISTACHIO and PURPLE every two rows.

Fasten off.

Zigzag piece finished after 22 rows

Take the macrame cord and mark 2.8"/ 7 cm on each side. On one side make the buttonhole by folding the cord. On the other make two knots, one over the other to make a button. With CAMEL sc wrapping the cord, leave the buttonhole free and wrap the beginning strand as well. Sc 195 distributing the sts all over the cord until reaching the knot. Fasten off. With regular sewing thread make a few sts on both edges.

### FINISHING

Weave in all ends. Take the zigzag piece and fold the first rows wrapping the crocheted cord. Leave enough space so that the zigzag piece can move around the crocheted cord. The necklace is ready.
